

# Health Care Law Representation

## Health Care Law Representation

Liles Parker attorneys have decades of experience practicing health care law. Several of our attorneys served as Federal prosecutors and held significant positions at the U.S. Department of Justice. Our health care transactional and regulatory attorneys have the knowledge and counseling skills necessary to efficiently resolve your health care business issues at the lowest possible level, before they escalate into a more significant problem. Areas of practice include, but are not limited to:

### **Claims Audits by UPIC, MAC, CERT and SMRC Contractors:**

- [Unified Program Integrity Contractor \(UPIC\) Audits](#)
- [ZPIC Audits](#)
- [Overpayment Considerations When You Own Monies to Medicare, Medicaid or a Private Payor](#)

### **Administrative Adverse Actions Against Health Care Providers and Suppliers:**

- [Medicare Revocation of Billing Privileges](#)
- **Medicare Suspension of Payment Actions**
- **Medicare Deactivation Actions**
- [NPDB Reporting Issues](#)

### **DOJ Investigations and Prosecutions:**

- [False Claims Act Matters and Cases](#)
- [Stark and Anti-Kickback Analyses](#)
- [DEA Audits / DEA Registration Defense / DEA Enforcement Actions](#)

### **OIG Audits, Investigations and Exclusion Actions:**

- [OIG Exclusion Actions — Mandatory and Permissive Exclusion Authorities](#)
- [OIG Self-Disclosure Protocol Considerations](#)
- [OIG Corporate Integrity Agreements](#)

### **HIPAA Privacy and OSHA Compliance, Audits and Investigations:**

- [HIPAA Audits and Compliance](#)
- [OSHA Requirements and Training](#)
