# Dental Law

Liles Parker attorneys have the vast litigation experience, regulatory knowledge, and counseling skills to effectively address dental law issues. We regularly represent dental practices in relation to coding and billing issues; dental compliance matters; Federal, state, and/or private payor audits and reviews; OSHA requirements and training; and State Board of Dental Examiner Investigations.

Our attorneys have had significant roles at the U.S. Department of Justice and as attorneys at the Health Care Financing Administration (HCFA), now known as the Centers for Medicare and Medicaid Services (CMS). In addition, other Liles Parker attorneys have worked as State prosecutors and/or public defenders.

Furthermore, Liles Parker attorneys have years of experience assisting dental practices of all sizes with Compliance Plan creation and maintenance; compliance training; and other compliance issues such as gap analyses on business and operational activities, and coding and billing practices.
